The Board Meeting began at 7:00 pm.

#### **MINUTES**

On motion of Trustee Daily, seconded by Trustee Puglia and unanimously carried, the Board approved the Minutes of the Meeting of March 21, 2024.

#### MANAGEMENT REPORT

Director Montero announced that Yonkers Public Library is again hosting early voting and started this year's election cycle with presidential primary voting last month and will again in October and November for the general elections. YPL represents two of three sites in Yonkers and is only one of three libraries in the county that will host it this year.

Director Montero reported on programming around the solar eclipse on April 8. Thanks to Zahra Baird, Crestwood Library Administrator, YPL obtained 2,000 glasses for distribution to

the public to safely view the eclipse. All three libraries hosted viewing parties and he commented that all libraries experienced a lot more demand for the glasses than expected.

Director Montero reported that again Will Library has rented a temporary chiller for the warmer months; the chiller arrived on April 15 and will remain through October 15. He also reported that the City of Yonkers recently bonded for capital funding, which included YPL's previously-authorized \$2 million capital budget for a permanent chiller and HVAC replacement system. With the funding complete and available, YPL has contracted architects and engineers to prepare specifications and bidding documents to begin the project. He explained that there are two main components to the project, first an upgrade to electrical switchgear in the building for compatibility with a modern HVAC system and later, the chiller itself. He was pleased to have the funding available and was hopeful that the new system will be in place for the summer of 2025, but noted that there are still substantial supply chain issues and it may still be necessary to rent a temporary unit again.

Director Montero reported that the Yonkers YMCA hired the library's DEI (Diversity, Equity and Inclusion) committee to conduct a series of three workshops for their leadership team, two of which were already successfully conducted. The workshops covered topics such as unconscious bias, microaggressions and generational diversities and believed it was a validation of the work of the committee and their leadership in the field of DEI. The workshops were grant-funded and indicative of the close relationship between YPL and YMCA and he looked forward to future partnerships in areas such as peer mediation.

Director Montero updated the Board on staff news. He reported that Zahra Baird has been promoted to Librarian IV, Branch Administrator of Crestwood Library. Ms. Baird, in her time running the library for nearly a decade, has increased programming, partnerships and circulation and the promotion was a recognition of her success growing Crestwood. Director Montero also reported that the Will Children's Department hired Librarian I Sharon DeYoung, who comes from Brooklyn Public Library with strong training in youth and family services, and the Riverfront Children's Department promoted Amanda Ospina from Trainee to Librarian I following her graduation from SUNY Albany. Director Montero also noted that Carlos Figueroa, Technical Support Manager, was married on April 6. The Board congratulated Director Montero on the good staff news.

Trustee Daily expressed an interest in meeting new employees and inquired about the orientation process. Director Montero replied that the library has already begun work on standardizing the process from several departmental perspectives and offered to introduce him to new staff members.

Trustee Phelan arrived at 7:10 pm.

#### UNION REPRESENTATIVE'S REPORT

Representative Neider had no report.

#### **WLS REPORT**

Trustee Phelan reported that she had already shared her notes from a workshop she attended on April 14 and had nothing further to add.

#### PERSONNEL REPORT

On motion of Trustee Jannetti, seconded by Trustee Daily and unanimously carried, the Board ratified the following appointments:

DeYoung, Sharon; Permanent Librarian I, \$65,366.00/yr, eff. 3/18/2024 Owusu, Brandon; Junior Clerk (PT), \$16.00/hr, eff. 4/6/2024

Acknowledged the following termination:

Castro, Angel; Provisional Manager of Public Relations and Marketing, \$84,563.00/yr, eff. 4/9/2024

#### **COMMITTEE REPORTS**

#### <u>Fundraising & Development-</u> Trustee Jannetti (chair)

Foundation Update: President Maron reminded the Board that the Foundation's annual fundraiser gala honoring Mary Calvi and Riverfront Administrator Sandy Amoyaw is April 25 and shared more invitations with them. She noted that there has already been more responses and enthusiasm as well as more sponsorships than in previous years.

#### **<u>Buildings & Grounds-</u>** Trustee Daily (chair)

Trustee Daily reported that he has begun research on branch history. Director Montero stated that the library has already conducted research on branch history in connection with the DHPSNY archival needs assessment and offered to share it with him. Trustee Daily hoped to have a presentation soon.

#### **PAYMENT OF BILLS**

On motion of Trustee Jannetti, seconded by Trustee Puglia and unanimously carried, the Board approved payment of bills as listed on Schedule #862.

#### **UNFINISHED BUSINESS**

President Maron was pleased with the discussion of the new naming policy at the last meeting and thanked Trustee Edoziem for the new proposals following her detailed review. On motion of Trustee Daily, seconded by Trustee Edoziem and unanimously carried the Board approved the YPL Naming Policy as presented in their Board Report.

Trustee Sabatino arrived at 7:17 pm.

Director Montero updated the Board on the library's budget request for FY25. They were still awaiting the Mayor's Executive Budget, which was delayed by the fact New York had not yet approved its own budget. The library had been invited by the City Council for a hearing on their request on May 1, but he expected that to be postponed as a result.

#### **NEW BUSINESS**

Director Montero proposed an updated schedule of room rental fees for the Board's approval. He reported that he has discussed with the branch administrators the current fees in place for non-partners and businesses and he believed they do not accurately recognize the value of library space and encouraged the Board to approve the proposed schedule. The Board discussed the proposal at length. A member of the public (Daphne Squires) expressed concern that the proposed schedule puts fee-paying organizations at a disadvantage to partners and non-profit organizations who are not subject to the schedule. Director Montero discussed the need to prioritize partners and non-profit organizations that share the library's mission and encouraged Ms. Squires and anyone else who may feel this policy excludes them from access to spaces to contact him directly.

On motion of Trustee Jannetti, seconded by Trustee Puglia and unanimously carried, the Board approved the Updated Schedule of Room Rental Fees as presented in their Board Report.

#### **EXECUTIVE SESSION**

President Maron motioned the Board into Executive Session at 7:39 pm to discuss the employment history and performance of a particular employee and asked Director Montero and Business Manager Presedo to join them.

The Executive Session ended at 8:37 pm.

NEXT BOARD MEETING DATE - Thursday, May 16, 2024 at 7:00pm at Grinton I. Will Library.

On motion of Trustee Sabatino, seconded by Trustee Puglia and unanimously carried, the Board adjourned the Meeting at 8:38 pm.

Jesse Montero Library Director & Secretary

## Yonkers Public Library (YPL) Board of Trustees Meeting Management Report May 16, 2024

Tara Somersall Honored as *Library Journal* Mover & Shaker: Every year since 2002, *Library Journal* has selected forty library employees that exemplify innovation and excellence in the profession. On May 1, Will Library Branch Administrator Tara Somersall was named a *Library Journal* 2024 Mover & Shaker in the "Innovator" category. Her profile highlights he work with Saint Joseph's Medical Center with the "Born to Read" program, Family Services Society of Yonkers with Summer Reading Buddies, her partnerships with and outreach to local daycares, and her tenure as Riverfront Library Children's Department Head, during which time The Cove and the Sensory Room opened. This is the first time an active YPL employee has been honored with this award, and Ms. Somersall now joins a distinguished group of over 1,000 professionals that have received the distinction since 2002.

**New Staff Update**: Benedict Cosgrove began his work as a full-time librarian in the Riverfront Reference Department on April 26. Mr. Cosgrove received his library degree last year. Previous to being hired full-time, he worked as a part-time librarian at Riverfront for nearly a year. Prior to entering librarianship, he worked for nearly 30 years as a staff and freelance writer and editor for publications and media companies including *Life*, *Wired*, MTV, *New York Times* and *Washington Post*.

**YPL Wins PR XChange Award:** The PR Xchange Awards is an annual competition that recognizes the best in public relations materials produced by libraries. On May 6, YPL learned that it won a PR XChange award in the Advocacy/Fundraising/Annual Reports/Strategic Plans category for libraries with a \$10-15 million budget for its 2023-27 Strategic Plan "Inspiring Staff, Inspiring Spaces, Inspiring Yonkers." YPL will be presented with the award at the annual American Library Awards conference, to be held in San Diego next month.

**Foundation for Yonkers Public Library (FYPL) Gala:** YPL and FYPL held its annual gala at Riverfront Library on April 25, 2024. Riverfront Library Administrator Sandy Amoyaw and author/journalist Mary Calvi were the honorees. Russell Martinez and the custodial team worked seamlessly with Sound Associates to transform the fourth floor into a beautiful events space. Significantly, more staff attended as participants and volunteers than in any previous gala. A more thorough analysis of the gala will be provided by the Fundraising & Development committee, but by any measure the gala was a huge success.

#### **Arts at Yonkers Public Library:** There are several recent updates

Earlier this month, Yonkers Public Library was a key site for Yonkers Arts Weekend. The
library hosted Yonkers Public Schools' (YPS) Art Expose show of student artwork from
across YPS's 29 schools in the Riverfront Atrium. YPL also hosted workshops on figurative
wire sculptures, kiln-fired ceramics, and flower arrangement. Library Jazz Band, Emilie
Surtees, April Armstrong and Katori Walker performed throughout the weekend.

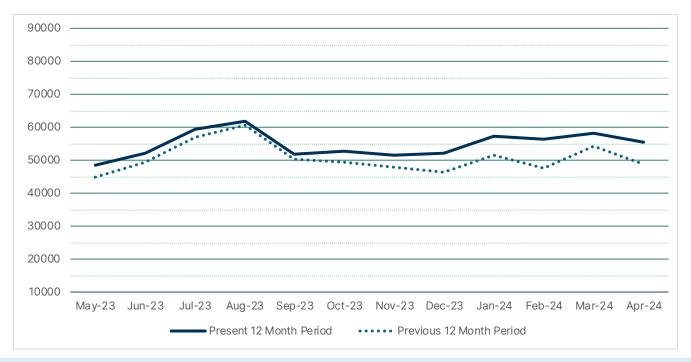

- On April 18th, Riverfront Auditorium hosted the 8th Annual Artists with Autism gala with Yonkers Public Schools and the artists from YPS's Special Education department displayed their work in the Riverfront Atrium throughout the month.
- Riverfront Art Gallery's "Bridging Chasms" exhibition is
- At the invitation of Westchester County Board of Legislators and ArtsWestchester, YPL submitted an application for a \$10,500 Legislative Initiative Funding grant to the arts organization earlier this month.

**Repair Cafe:** Among other Earth Day and Earth Month events, YPL hosted a Repair Cafe at Crestwood Library on Saturday, April 27th - the first event of its kind at YPL or in any Westchester library. Repair Cafes are free events that connect people with tools and fixers, and encourage repairing items rather than discarding them and purchasing replacements. Crestwood's repair cafe had over 90 visitors and professionals from Jen's Cycles, Cornell's Hardware, and other volunteer fixers to help repair broken appliances, clothes, and furniture. The event was a success and we hope to offer similar events in the future.

Will Library Creative Studio: On April 23, YPL hosted an "official" grand opening of the Creative Studio at the Will Library. This space had a "soft launch" in August 2023 as a way to understand how patrons might use the space and if it could be truly self-directed, as intended. Since the soft launch, the space has seen over 110 reservations; however, many of the reservations were super users so it was decided that a more formal launch would be a good reintroduction. Tina Lucchese, Michael Walsh, and Aili Whelan showcased and demonstrated the variety of studio tools available to record a podcast, convert old media into digital files, complete sewing projects, and use a photography lightbox, ring light and editing software to become an influencer. A counselor from an organization called Young Women on the Rize in the Bronx brought a group of teens specifically to see and use the space. Tara Somersall and the counselor have already set up a meeting to talk about a potential partnership. Some exciting projects that have come from the Creative Studio include:

- Patron Jessica Sorentino began recording her podcast <u>Open Book</u> in the Creative Studio. In March 2024, she also hosted a free program at the library on how to start a podcast.
- There have been a couple of sewing projects taking place in the Creative Studio including the making of a dress. Patrons have used the phone tripods and audio equipment to record their own poetry and podcasts.
- Michael Walsh has been helping to convert tape cassette of oral history interviews between World War Two veterans and Yonkers native Bob Abate.
- Aili Whelan just created a stop motion animation short using legos to promote Summer Reading.
