YONKERS PUBLIC LIBRARY  
BOARD MEETING  
ELECTRONIC MEETING  
JUNE 17, 2021

**ATTENDANCE**

TRUSTEES:	Nancy Maron Josephine Ilarraza Steven Jannetti Joseph Puglia John Saraceno Hon. Michael Sabatino Dr. Stephan Giuffrida
LIBRARY DIRECTOR:	Jesse Montero
BUSINESS MANAGER:	Vivian Presedo
ADMINISTRATIVE SECRETARY:	James Hackett
WLS BOARD REPRESENTATIVE:	Trustee Puglia
UNION REPRESENTATIVE:	Brandon Neider
GUESTS:	Carlos Figueroa, Elizabeth Caruso, Zahra Baird, Tyisha Baker, Rose Bannister, Arnaldo Torres, Philip Poggiali, Phyllis Cole, Eileen Fusco, Rose Avilés, Mary Robison

The Board Meeting was held electronically via ZOOM®, Conference ID# 940 5003 1218

The Board Meeting began at 7:03 pm

**MINUTES**

On motion of Trustee Ilarraza, seconded and unanimously carried, the Board approved the Minutes of the Meeting of May 20, 2021.

**MANAGEMENT REPORT**

Director Montero reported that there had been no new cases of COVID-19 among the staff and that YPL's policies remain unchanged.

Director Montero reported that the Mayor's proposed executive budget for the fiscal year ending in 2022 had been passed by the City Council on May 27. Director Montero was pleased with the process and thanked the Mayor and the City Council for a healthy budget that values library service, as well as the staff whose outstanding service he believed was

appreciated by the Mayor and Council. The budget represents an effective 4% increase which restored funding that was cut during the last year, includes funding for a new teen services librarian and art gallery curator and increases collection development funding. Director Montero also reported that Will Library will receive an additional \$200,000 in capital funding for elevator repair and refurbishment; Crestwood Library will receive \$169,000 in capital funding for new roofing, windows and exterior restoration.

Director Montero was pleased to announce that early voting had returned to Riverfront and Grinton I. Will. He does not expect turnout for this year's primary election to be as great as last year's presidential election, however he looked forward to the opportunity for YPL to be a part of the democratic process.

Director Montero updated the Board on the "Roots and Branches" partnership with Municipal Housing Authority for City of Yonkers (MHACY). Material has been loaned to the offsite collection at many of the housing facilities and MHACY coordinators are beginning to plan field trips for residents to Riverfront Library.

Director Montero discussed many of YPL's planned summer reading activities, including the summer reading program "Tales and Tails", the refreshed summer reading list for students and the Grab 'n' Go summer meal program. Director Montero thanked librarians Z Baird and Eileen Fusco for their leadership of many of the summer reading activities.

Director Montero announced that Yonkers Public Library will celebrate Make Music Day for the first time on June 21. Make Music Day is a worldwide celebration of music in over 1,000 cities and 120 countries on the longest day of the year. Several events are scheduled at all three buildings as well as Van Der Donck Park.

Director Montero was pleased to announce that Shauna Porteus will be hired as Deputy Director following a national search for a candidate. She has over a decade of experience in marketing, planning and grant writing at several public libraries and returns to YPL to fill the position vacated by Susan Thaler's retirement after two years managing two branches of the San Jose Public Library. Director Montero received a lot of positive staff feedback on Shauna's selection and looks forward to her returning to Yonkers Public Library sometime in September.

Trustee Sabatino inquired further about the status of capital funding for the elevator repair at Will Library. Director Montero clarified that the \$200,000 expected to be received in the capital budget was in addition to remaining funds allocated in previous budgets that were insufficient to complete the project at the time; he now believes the present expected funding levels to be adequate to meet bids for service.

Trustee Saraceno asked what repairs were necessary for the elevator project and how much has already been completed; Director Montero replied that shop drawings from an engineer were commissioned and Business Manager Presedo added that a shaft fan, gears and mechanics original to the building needed to be replaced, as well as the interior of the cab. Trustee Saraceno also asked which elevator company might receive the contract; Director Montero replied that a request for bids must be made first and he added that all previous bids were over budget and as a result the project never got underway.

## **UNION REPRESENTATIVE'S REPORT**

President Savarese discussed staff vacancies, especially at Will Library where staff have communicated to him the need for help. Director Montero stated that civil service lists have been received and the interviewing process has begun.

## **WLS REPORT**

Trustee Puglia reported that efforts will be made by WLS in the fall to invite more trustees of member libraries to participate in their meetings. Trustee Puglia specifically noted the reason for this effort is to increase transparency and involvement.

## **PERSONNEL REPORT**

On motion of Trustee Jannetti, seconded and unanimously carried, the Board ratified the following appointments:

Marji, Ronjon, P/T Page, \$14.00/hour, eff. 6/7/21  
Chavis, Armani, P/T Page, \$14.00/hour, eff. 6/7/21

The Board acknowledged the following termination:  
DeWaters, Alice, Librarian II, \$77,190.00/year, eff. 6/15/21 (retired)  
Ocansey, James, P/T Page, \$14.00/hour, eff. 6/7/21

## **COMMITTEE REPORTS**

**Finance, Budget & Planning** – Maron, Jannetti, Saraceno

**Employee Relations** – Maron, Puglia

**Buildings & Grounds** – Maron, Puglia, Giuffrida

**Policy** – Maron, Ilarraza, Sabatino

**Fundraising & Development** – Maron, Jannetti

Foundation update: Trustee Maron shared her enthusiasm for Make Music Day and discussed the featured events. She invited the Board to attend and spread the word through their networks.

## **PAYMENT OF BILLS**

On motion of Trustee Jannetti, seconded and unanimously carried, the Board approved payment of bills as listed on Schedule #827.

## **UNFINISHED BUSINESS**

NONE

## **NEW BUSINESS**

Board President Maron reminded the Board of the notice made at the last meeting to amend the by-laws to allow for electronic meetings to continue after Governor Cuomo's executive order modifying open meetings law expires. After an extended discussion on the manner and conduct of meetings in the future, the Board, on motion of Trustee Saraceno, seconded and unanimously carried, added the following to Article III, Section 1 of the by-laws:

*In the event of exceptional circumstances, the Secretary and Board President, together, may call for a regularly scheduled meeting to be held by videoconference or electronic means if such means are open to the public, have been identified as such in the public notice of the meeting, and all trustees are able to see and hear each other clearly at the same time.*

The Board reviewed and discussed the New York State 2020 Annual Report for Public Association Libraries. Trustees Jannetti and Ilarraza asked that their contact information be updated. On motion of Trustee Sabatino, seconded and unanimously carried, the Board approved the above mentioned report.

## **EXECUTIVE SESSION**

Board President Maron motioned the Board into Executive Session at 7:56 pm to discuss the annual evaluation of Director Montero. The session ended at 8:23 pm. Board President Maron announced the Board was pleased with Director Montero's service and would discuss the evaluation further at another time.

**NEXT BOARD MEETING DATE** – Thursday, July 15, 2021

On motion of Trustee Ilarraza the Meeting adjourned at 8:25 pm.

Jesse Montero  
Library Director & Secretary

**Management Report**  
**Board Meeting**  
**July 13, 2021**

**COVID-19 Updates:** There have been no reported cases of COVID-19 among library workers since the last board meeting. Since the last board meeting, the City of Yonkers lifted its mask requirements for fully vaccinated employees, along with other COVID-19 emergency protocols. On July 6, 2021, YPL allowed fully vaccinated employees to be maskless in non-public service areas and during non-public service hours. YPL is currently considering further steps to loosen mask requirements, which will be discussed at the July board meeting.

**Make Music Day:** On June 21st, YPL and Foundation for Yonkers Public Library (FYPL) participated in Make Music Day, a global celebration held in over 1,000 cities and 120 different countries. This was Yonkers' first year participating in the event. It hosted nine in-person performances across all three locations, as well as two virtual events. In total, hundreds of attendees and passersby engaged with the events. YPL and FYPL are planning on how to continue offering this event, with more city coordination, in future years.

**Will Library Pollinator Garden:** Thanks to support from Westchester County Legislator Ruth Walter and the Board of Legislators, YPL received \$18,000 in funding to create and maintain a native plant and pollinator garden. YPL contracted with Groundwork Hudson Valley, whose Green Team removed weeds and other invasive plant species, laid down wood chips, and planted native plants attractive to pollinating bird and insect species. In coming weeks Groundwork will install benches to complete the project and serve as an outdoor programming and reading space. YPL hopes to continue its partnership with Ruth Walter and Groundwork Hudson Valley to further reshape the Will Library grounds.

**Arts Programming:** Earlier this month, Haifa Bint-Kadi joined YPL as its full-time art gallery curator. In this role, she will be charged with enhancing YPL's art exhibitions, programming and elevating its profile in the Yonkers artistic community. She has already begun to increase the amount of programming. In June, Ms. Bint-Kadi was recognized by Mayor Spano for her public artwork which was recently installed at the Yonkers Greenway.

**Grant Updates:** New York Presbyterian Lawrence Hospital awarded Will Library a \$2,500 grant in recognition of its health and wellness programming over the last year. ArtsWestchester also awarded YPL and its partner ArchForKids an "Arts Alive Project Grant" for \$1,500 to offer four STEM-related children's programs that reference the Summer Reading 2021 theme of "Tails and Tales."

**Summer Services:** As of July 21, 2021, Riverfront Library and Will Library will both serve as Yonkers Public Schools (YPS) Grab N' Go summer meal sites. Summer Reading Buddies has begun to offer once-a-week, reservation-only arts and crafts classes at Riverfront Library. YPL

librarians are working with YPS teachers and librarians to promote summer reading through summer school and professional development opportunities.

**Extreme Weather and Library Service:** Yonkers has already experienced heat waves and severe storms this summer. These extreme weather events, combined with YPL's aging infrastructure, present public service challenges, especially since libraries should be cooling and charging "resiliency" centers at such times. Severe rain caused leaking with the Crestwood Library's roof, and the Will Library's outdated and unreliable HVAC system make it difficult to ensure adequate cooling when the community needs it. These conditions make capital infrastructure investments even more important.

# QUARTERLY REPORTS

## RIVERFRONT LIBRARY APRIL, MAY, AND JUNE 2021

The Riverfront Library has served the city of Yonkers through good times and bad times. The past year brought forth unprecedented challenges, both for us and for our patrons, but we quickly adapted, to ensure that our patrons could continue to rely on the Library's essential services. Indeed, the COVID-19 pandemic reinforced and accelerated trends in the Library's investments in digital resources and services

As demonstrated during the quarter under review, our efforts to serve the city of Yonkers amid challenges define who we are as an institution. When we are forced apart, we always find opportunities for connection and community, whether in our branches or online. The past quarter has demonstrated the Library's remarkable role in bringing together the City's neighborhoods.

### **Programming**

Providing individuals with unfettered access to information and opportunity is one of the greatest ways to empower and engage them. *Programs for All* is thus the centerpiece of our mission, whether it's a matter of getting patrons career-ready, of teaching them technology, or of connecting them to various other critical skills. During the last quarter, our in-person programs, including movies in the Auditorium, logged an attendance figure of more than 1,500. And of course we continued during the quarter to present virtual programs, including sessions on technology training, job coaching, Zumba, Qi Gong, genealogy, and healthy living.

Dr. Kishauna Soljour, Sarah Lawrence College/Mellon Humanities Fellow, and Mary Robison, the head of the Riverfront Reference Department, hosted several talks to engage the Yonkers and the Sarah Lawrence College communities, including a celebration of Poetry Month and an exploration of public art in Yonkers.

Inspired by fresh ideas to engage the community, and for each month during the quarter, our branch's Reference Department developed and prepared 150 "Grab & Go" craft projects to distribute to patrons at all three branches. These gifts included umbrellas, eco-friendly bird feeders, wind chimes, painted flower pots, and "summer sun packs" for kids.

Teen Librarian Eileen Fusco collaborated with the Yonkers Public Schools to refresh and update the summer reading list for children and teens with the addition of new print and electronic titles. She also updated the online summer reading program, READSquared, with new reading lists, programs, and school assignments.

More than 300 youngsters attended our teen programs during the quarter, participating in practice SAT and ACT exam sessions, in poetry, and in scavenger hunts. The Library also hosted an informal "teen hangout" each week on Tuesday.. Upcoming summer programs for teens will include film screenings, crafts, and bilingual story recordings.

### **Children's Programming**

The Riverfront Library plays an essential role in supporting children of all ages to help them develop a lifelong love of reading. Taking to cyberspace to reach this goal during COVID were Children's Department Librarians Ralph Guida, with *Father Goose Time* and *Arch for Kids*, and Renee Rabadi, who co-hosted *Arch for Kids* as well as hosting *Zumba for Kids*..

The Department celebrated Earth Day in April with a sustainable craft program created by Mya Green-Arias and Tara Somersall. The event was very well attended.

## QUARTERLY REPORTS

On June 21, the Yonkers Public Library celebrated Make Music Day for the first time. The Riverfront Children's Department hosted Carla and Keyes, who performed a medley of songs and read stories to the kids. It was a very successful program for the children who had had to stay home for such a very long time during the pandemic.

### **Notary Service**

Children's Department Librarian Ralph Guida is a state-certified notary public. As such, and without charging a fee, he notarizes documents for the Library's patrons; 45 documents were notarized during the quarter. (The notary service is available only by appointment.)

### **Local History**

Intern Charlie Loftus began work in the Local History archives. She will review the vertical files, rehouse and provide additional description for the collection. Charlie will also be working with Dr. Soljour and Yonkers teens to produce podcasts for a local history series, *Histories of Change, Continuity, and Community: Yonkers*. This podcast series examines the entwined relationship among people, places, and ideas that shape the city of Yonkers.

### **Community Engagement**

The Riverfront staff continued during this difficult time to maintain our partnerships with other community organizations so that, together with them, we can work to make a difference in people's lives. Worthy of note are the following initiatives:

#### ***Vaccine registration.***

Continuing the effort from the first quarter of the year through to April, the Riverfront Reference staff assisted patrons in registering for appointments to receive the COVID-19 vaccine.

#### ***MHACY "Roots and Branches" deposit collections.***

The Riverfront Library Reference and Circulation staff partnered with MHACY service coordinators to establish small book collections at several public housing locations in the city. Each coordinator, moreover, has a space in the Circulation department to house his or her collection.

#### ***Westhab Collaboration.***

The Reference Department is working with Westhab to host a weekly visit from a Westhab social worker to assist patrons with housing, health care, and other services they need help with.

#### ***IB (International Baccalaureate) Day.***

Mary Robison collaborated with educators from Yonkers High School and with librarians from Sarah Lawrence College to present a third bibliographic instruction session for Yonkers High School IB students. Mary and Eileen Fusco will continue to work with the students on their research during the summer.

In addition to these community involvements, Branch Administrator Sandy Amoyaw has continued to attend, via ZOOM, meetings with the Salvation Army and the Yonkers Rotary International. Lawrence Farah, too, has continued to work with the Yonkers Rotary International (an organization of which he is a member); and he also attended the Juneteenth event at Trevor park. Arnaldo Torres has continued his service on the YMCA Board of Trustees. Librarian Eugene Howell continues as the Library's liaison with the Community Network, sharing current information throughout the YPL e-mail system on social services available to Yonkers residents.

### **Collection Development**

## QUARTERLY REPORTS

The Riverfront staff continues to devote time and thought to the task of collection development. We continue to augment our collections with new offerings in graphic novels, in urban fiction, and in Spanish-language materials. We also added titles to the Arabic-language collection in the Children's Department.

### **Staff Development**

Members of the Riverfront staff are encouraged to participate in professional development workshops to enhance their job performance. To this end, the Reference Department staff took part in training to learn about improvements to WLS's High School Equivalency programs, and Tara Somersall and Renee Rabadi participated in the *Summer Reading Refresh Project*. Staff also participated in training on various digital resources; on locating U.S. Census data; on creating standards for successful customer service; on building a socially-responsible library collection; on assisting unsheltered patrons; and on issues of diversity, equity, and inclusion.

### **Library Displays**

Book displays in the Library help to create an inviting, informative, and effective learning environment. Such displays and bulletin boards can also play a vital role in boosting circulation rates. Displays during the second quarter included Wellness Activities, Summer Reading, the American with Disabilities Act, LGBTQ+ Pride Month, D-Day, Memorial Day, Mother's Day, Earth Day, Poetry Month, National Library Week, Stress Awareness, and Small Business. Also high-lighted through displays were the Library's collection of mysteries and graphic novels.

At a time like this, we all need to be there for one another, to support one another and to support the Yonkers community to which we are committed.. Thank you, Riverfront Library staff, for your continued assistance to our patrons during this quarter. We continue to push through these challenges with grace and positivity.

Sandy Ernest Amoyaw  
Branch Administrator

# QUARTERLY REPORTS

## GRINTON I. WILL LIBRARY APRIL—JUNE 2021

Grinton I. Will library is working on becoming more environmentally friendly, inside and out. We are extremely grateful for the funding provided by Ruth Walter, Westchester County Legislator, for a sustainability project on our grounds. We were happy to partner with Groundwork Hudson Valley which helped identify an undeveloped area on the east side of the Library to convert into an attractive pollinator garden and outdoor space for patrons. GWHV led a ten-person green team event to remove invasive plants, prepare the soil and path, and plant native plants. In preparation for our environmentally friendly outdoor space, our teens were given the opportunity to earn community service hours and join our very own green team. Bob Walters and Rose Aviles spoke with the group about the environment and the children's department educated the students on how to read stories to children in preparation for outdoor programs. GWHV showed our volunteers how to plant, check soil, and remove the weeds. We hope to partner with many more environmental community leaders to inspire our youth.

It is very meaningful when the community recognizes the value of the work we do and the impact we make in the lives of our patrons. We were extremely honored that the leadership at New York-Presbyterian Lawrence Hospitals awarded \$2500.00 to the Will Library in support of community programs. Ruth Walter recognized the hard work of the staff with a Certificate of Appreciation for providing many services throughout the pandemic. One of our frequent patrons called the Branch Administrator to praise the Adult/Reference department for all that they had done for her during this past year. Whenever she needed to access computers, use the private computer room for interviews and training and needed help navigating the technology, the staff always said yes and never hesitated. Alan Houston received a thank you note from a patron expressing happiness for a large print title she received through the library by mail program.

Many city agencies requested in person meetings and events and we were able to provide them with meeting spaces. The Fire Department swore in new recruits in April, and the City of Yonkers DPW provided OSHA training to their staff in our auditorium. Early Voting for the primaries took place for nine days in the lower lobby and the Yonkers Police Department staffed a recruitment table providing information to the public on the upcoming police officer exam. We are grateful to the patrons, City of Yonkers employees, library staff and patrons who provided honest, necessary and essential feedback during the KG & D listening sessions. These sessions helped create a five year plan that will help us focus on capital improvements and interior and exterior renovations for the Will Library. We partnered with the Alzheimer's Association to host a virtual Yonkers Community Forum, where patrons learned about the disease and dementia, and community leaders provided feedback as to how to help those in our communities.

The summer is quickly approaching and the children's and young adult staff were busy preparing. They recommended new materials for the Yonkers Schools reading lists and ordered, processed and labelled the titles purchased. They were also busy weeding the existing collection. They staffed the Summer Reading table to encourage patrons to sign-up for the program and they helped explain the READsquared app and registration process and provided information about our summer programs. A Tails and Tales Summer Reading Lego Movie was created by Miss Aili introducing this year's theme, and the circulation staff descended upon the children's department to get the shelves ready for the busy season by shelf reading and edging. Summer program information was shared with School 24 to be shared at the school's parent workshop.

Patrons were ready to venture outdoors and enjoy entertainment. During the citywide music celebration, Make Music Day, the musical performers who made us tap our feet and clap our hands included, Zev Haber, children's musician, and Desy Murphy, who performed a solo acoustic set of popular folk, country and rock songs. Patrons can now checkout an outdoor adventure, The Lunetta Explorer Bag (birding bag). It contains binoculars, bird and tree ID cards, bug boxes, activity cards, and magnifying glasses. We hope to encourage a love for the outdoors, nature, environment, hiking and walking, and family time.

## QUARTERLY REPORTS

The staff hosted a variety of programs that included: *Thinking of Starting Your Own Business*, *Start, Manage and Grow Your Business with Reference Solutions*; *Exploring Eighteenth-Century Westchester Through Invention*; *Bird Neighbors*; *Walk with Will*; *Carnegie Libraries*; *Raptors for Rookies*; *Gardening with Native Plants: Why and How*; *Bingo Outdoor*; *Storytime with Miss Aili*; *Robert the Guitar Guy*, *Music with Munchkins*; *Cartooning with Mike Teator*; and *Discusión sobre vacunas contra COVID-19*. The teen advisory group finally met in person and utilized the outdoor patio to socialize, play giant Jenga and Connect Four and brainstorm future teen activities.

Members of the display committee are always planning and thinking ahead. Patrons appreciate the creativity of staff and frequently comment on how attractive they are. This month the displays included Cinco de Mayo, National Library Week, Gardening, May the 4<sup>th</sup> Be With You (Star Wars), DMX, National Small Business Month, Pride Month, Mental Health Awareness Month, Juneteenth, Summer Time, Father's Day, Eric Carle, Music, National Poetry Month, Earth Day, and Autism Awareness Month. Our YPL Library blog webpage hosted entries about DMX, Sherlock Holmes, Summer Reading Lists, Juneteenth, Jackie Robinson, Nelson Mandela, Tulsa Race Massacre, and Asian American and Pacific Islander month. Michael Walsh podcast reviews have been discovered and he was notified that his reviews were added to greatpods.com to help the public discover podcasts of interest.

# QUARTERLY REPORTS

## CRESTWOOD LIBRARY APRIL, MAY & JUNE 2021

The Spring Quarter was a productive one with our main focus being on preparing our location for in person browsing that started on May 3<sup>rd</sup>. Furniture removal, installation of screen guards, extensive weeding and shifting of collections, and refreshed signage all contributed to a more open library for pleasant patron browsing experiences. Russell Martinez coordinated the physical building patching of our roof and custodial staff is providing excellent grounds maintenance. Carlos Figueroa coordinated the removal of 2/3 of our WLS computers, hard wired our scanner/fax machine and improved wireless access in the building. The other focus was on the visioning, planning, execution of our mainly virtual 2021 Summer Reading Program "Tails and Tales." YPS Summer Reading lists were revised, joint sessions on Read Squared, and promotional ZOOMs and Grab and Go kits were all created. We continue to provide the winning combination of hybrid service of morning contactless pick up hours and afternoon in-person browsing in order to meet our patron's literacy, educational, recreational and informational needs.

Crestwood Crew members continue to come up with creative ways to keep the library relevant to our community. Social Media posts, word of mouth, church bulletin postings, wellness check ins, library materials displays on themes including National Library Week, Earth Day, Poetry Month, Asian American Pacific Islander Heritage Month, Mental Health Awareness Month, Pride Month, one-on-one in person computer help desks and neighbor to neighbor connections have all contributed to our success.

Community connections remain at the forefront of our service model. We have continued to strengthen our NNORC partnership by venturing into hybrid in person/ virtual programming. Seniors and their family members of all ages have been using the suite of 9am wellness/ fitness, health, gardening, art and music programs as a lifeline during this difficult time. We co-hosted a virtual Launch of Yonkers Youth Bureau programming via a Children's Book Day with a bilingual reading of the book "You Matter" and a crafting project. Crestwood Crew facilitated the Yonkers on the Move Phase 1 Virtual recognition ceremony and completed a series of virtual programs in conjunction with Feeding Westchester and Alzheimer's Association. The Positive Psychology Reading Group expanded and will run into the fall.

Westchester County Legislator Ruth Walters presented the entire Crestwood Library Staff with a certificate in recognition of their hard work and for serving the public through the COVID-19 Crisis. Librarian I Philip Poggiali completed The Advanced Certificate in Public Library Administration from Long Island University. We continue to grow librarians – two of our library School Students Chris Loud and Stephanie Jordan graduated this quarter.

Friends of Crestwood Library (FOCL) continue to meet virtually and provide co-funding and curation for online and "take it to make it" programs. They added a virtual History Lovers BookClub to our program offerings. Library staff hosted their virtual annual meeting where a new slate of officers was elected. President MaryAnn Penzero and I were awarded a grant from the Junior League of Bronxville to extend YPL Birding resources and programming.

This quarter, the Branch Manager met virtually with Alisa Holland from New York-Presbyterian Lawrence Hospital, Crestwood Historical Society & FOCL Boards, WJCY administration and tutors, YPS Superintendent Dr. Quezada, YPS librarians, teachers, parents and students, YPIE staff and teens and worked with Celeste Hughes from the Scouts.

Patrons from communities throughout Westchester County are visiting us virtually and physically. They appreciate our strong ZOOM offerings along with being open with the provision of essential services such as printing, reference, readers' advisory, browsing, and being a cool destination. We continue to serve Yonkers and look forward to resuming more of our treasured in-person programs and services.

Respectfully submitted by Z. Baird, Crestwood Library Branch Manager

# QUARTERLY REPORTS

## CUSTODIAL DEPARTMENT APRIL, MAY, JUNE 2021

In this quarter, my staff in all three facilities have been focused on constant disinfecting of high touch areas multiple times daily. We will continue this practice for the foreseeable future.

### Crestwood

All newly painted outdoor furniture was placed and secured in appropriate areas. After being informed by Crestwood staff of a leak in the ceiling in the Mystery Room that was thought to be a clogged gutter turn out to be a hole in the roof beneath a gutter. I put up a tarp temporarily until an emergency repair could be made. That temporary repair was made a few days later by T&L Contracting. Once the roof was temporarily repaired they then replaced the damaged sheetrock, taped, patched and painted the entire Mystery Room. T&L Contracting also built and painted a sheetrock wall behind the Children's Room help desk to cover the exposed heating pipes.

### Will

Mackenzie automatic door repair has replaced the aging upper lobby doors. All automatic doors are now working great.

Johnson Controls finally provided up with the quote to repair the oil leak in our chiller and North state Mechanical to provide a quote to repair the leaking A.C. Chiller, Unfortunately the chiller will have to be shut down for four day to make that repair so the repair will be scheduled for the fall when the air conditioning is not in use. In late June we did have another issue with the chiller, Johnson controls had to be called in to make that repair . The repair to A.C. 3 (Fine Arts area) has been completed. To insure the cleanest possible air quality, all air handler filters have again been replaced with the high quality Merv 13 filters.

Also the upgrade to the Flynn room is complete.

### Riverfront

The quarter my staff are continuing with room upgrades, furniture removal and disposal as well as new furniture assembly. We've also been returning chairs and tables the were removed for social distancing including Children's room items such as the A. B. C. area rug and slide.

### Staff:

Special thanks to all Custodians helping with facility upgrades!

Russell Martinez  
Supervisor of Custodians

# QUARTERLY REPORTS

## TECHNICAL PROCESSING DEPARTMENT APRIL, MAY, JUNE 2021

The Tech. Processing Department has been working this quarter to order, process, and link the books for the summer reading programs. With the summer reading lists refreshed this year, there was a great number of books to be processed before the end of the school year. Everything that was received was processed and sent to the departments as quickly as possible. The only titles left are the ones that are still backordered with the vendors.

Even though the summer reading books took a majority of our time, we were still able to keep up with the other needs of the departments. All av materials were processed as they were received and current fiction and nonfiction titles also were prepared for patron use. It was a very busy spring.

The Periodicals and Continuations list has been revised and sent to the departments for their review. Any additions and/or deletions will be made for the 2022 subscription year.

The Baker & Taylor Book Leasing Program continues to provide shelf ready new books with all three branches using their monthly quotas to obtain titles for their collections. These titles are then returned when they are no longer popular circulating items.

Tech Processing accommodates all requests from the departments for information, processed materials, and orders using whatever resources are necessary and available. Contacting and working with vendors is a large part of our work.

Mary DiChiara  
Technical Processing Dept.
